

I believe that it is against the law to not give equal time to political candidates. Sinclair Broadcast Group plan to force its stations to show an anti-Kerry documentary and not to show an anti-Bush is a violation of this law. The fact that Sinclair would allow this to become public notice is proof that they do not have respect for the laws of our country and have no fear of the FCC.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you.
